MATCH PREVIEW

Chicago Fire FC embarks on a two-game road stretch that begins against the New England Revolution on Saturday, Oct. 17.

In the last of a three-game homestand on Wednesday night, winger Maren Haile-Selassie tallied his third goal in as many matches to give the Fire a 1-0 lead against Philadelphia Union at halftime. But the Fire went down to 10 men shortly before the break, giving the Union a numerical advantage they exploited just five minutes into the second half to equalize. The momentum fully swung toward the visitors as forward Bruno Damiani recorded a brace to seal a 3-1 victory for Philadelphia.

Another Eastern Conference contender, New England, follows. The Fire's longtime rivals came away with a victory at Soldier Field on Sept. 13 before another win placed them second in the East. But the Revolution followed the results with a pair of 3-0 losses to Western Conference opponents. A rebound performance on the road against FC Cincinnati on Wednesday night gave the Revolution three crucial points, clinching a postseason berth for the first time since 2023 and third place in the East.

MILESTONES APLENTY

There were plenty of firsts and records broken in an historic 2025, including nine victories away from home, the most goals in Fire history and second-most in the league (68), and the most goals on the road of any team in Major League Soccer (43) since the LA Galaxy in 1998.

But 2026 does not fall far behind, with a handful of records that could fall in the coming weeks:

- ★ One more win will see the Fire match last season's total of 15 victories, the first time since 2001 that Chicago sees back-to-back 15-win and 50-point campaigns. Anton Salétros' equalizer against New York City on Oct. 10 also assured the Fire a 50-goal campaign, giving his side back-to-back 50-goal seasons for the first time since 2001, the last of a four-year streak.
- ★ Gregg Berhalter earned the 96th regular season victory of his career on Oct. 10, one win shy of former Orlando City SC and Minnesota United FC head coach Adrian Heath as 16th all-time in Major League Soccer. With a win against Orlando on Oct. 28, Berhalter would also become the first coach since Bob Bradley in 2000 to win 10 matches at Soldier Field in a single season.
- ★ Chris Brady's next victory will be his 13th of the 2026 regular season. That win will break a record set last year with 12 wins, and would give Brady the seventh most victories in a single season in Fire history alongside Jon Busch's 2008 season.

Below is a list of other records set or broken by the Fire this season:

MAKING HISTORY

QUELLING THE REVOLUTION

- ★ The Men in Red have an all-time lead of 28-26-22, with the 112 goals scored against the Revolution the most against any team in Major League Soccer.
- ★ Defender Jack Elliott leads the current Fire roster with three goals against New England, while wingers Maren Haile-Selassie and Philip Zinckernagel follow with two. Haile-Selassie scored in the last match against the Revolution on Sept. 13. Zinckernagel's last goal at Gillette Stadium made him the first player in Club history to record 15 goals and 15 assists in a single season.
- ★ Defender Sam Rogers (Lower Body), and midfielders André Franco (Lower Body), Robin Lod (Lower Body), Anzor Mekvabishvili (Lower Body) and Dje D'Avilla (Suspension) were not available for selection against Philadelphia on Wednesday. Defender Jack Elliott (Suspended) will not be available in New England.

FOR CLUB AND COUNTRY

The first international break since FIFA World Cup 2026 came and went, with Chicago seeing many of its best players on the global stage once more. Here is a list of Fire players who joined their national teams for the September international window.

- ★ **Robert Lewandowski**, Poland's all-time leading goal-scorer, reported for international duty in the 2026-27 UEFA Nations League B. The prolific striker bagged a hat trick for Poland against Romania on Oct. 2 – bringing his international total to 92 goals – following appearances against Bosnia & Herzegovina and Sweden in Group 4 play.
- ★ After becoming the first Homegrown Player and Academy graduate in Club history to be named to a FIFA World Cup roster this summer, goalkeeper **Chris Brady** (below) returned to the U.S. Men's National Team for four international friendlies. Brady made his first start for the USMNT on Sept. 29, making five saves in the 4-2 victory against Chile.
- ★ **Robin Lod** also saw action in the UEFA Nations League with the Finland Men's National Team, appearing in the 7-0 victory against San Marino on Sept. 26. Finland also faced Belarus and Albania in Group 1 of League C.
- ★ The third player called up for the UEFA Nations League was **Anzor Mekvabishvili**, who appeared in all four of Georgia's matches in League B, Group 2 against Northern Ireland, Ukraine and Hungary. The midfielder made his MLS debut on Sept. 19 against Nashville before immediately reporting for international duty.
- ★ Defender **Noah Allen** scored his first goal for the Greece U-21 Men's National Team in the 3-0 victory over Georgia on Sept. 26. Following two 90-minute performances against Latvia and Northern Ireland, Allen helped Greece finish second in Group F of the 2027 UEFA U-21 Euro qualifiers, qualifying for a play-off for a spot in next year's tournament.
- ★ **Puso Dithejane** also scored his first goal with the senior South Africa Men's National Team, scoring the game-winner in a 1-0 friendly victory against Egypt in Cairo. The winger also joined newly appointed head coach Pitso Mosimane for Africa Cup of Nations qualifying matches against Guinea, Kenya and Eritrea.
- ★ Homegrown midfielder **Robert Turdean** joined the U.S. U-17 MNT for an international camp in Spain in preparation for the 2026 FIFA World Cup in Qatar. He started in the 1-1 draw against the Republic of Ireland on Sept. 30, also appearing against Norway on Oct. 3 and the Netherlands on Oct. 6.

BACK IN THE U.S. OF A.

The Arlington, Texas, native began his professional career in 2019 with North Texas SC of USL League One before making the jump to FC Porto B of the Portuguese LigaPro in 2020. There, he made 23 appearances and scored a goal in the 2020-21 season before transferring to FSV Zwickau of the German 3. Liga. With Zwickau, Cómez appeared in 75 matches across all competitions, registering 15 goals and seven assists.

WE NOAH GUY

Born in Florida, Allen represented the U.S. U-20 Men's National Team in the 2022 Concacaf U-20 Championship alongside Chris Brady. He was also named Best Young Player in the 2025 Concacaf Champions Cup before completing a one-time change of association to compete for Greece. He has eight caps with the Greece U-21 Men's National Team, including seven in UEFA Euro Under-21 qualification.

LONG TIME COMING

After a record-breaking 2025 season, two MLS All-Star Game appearances and countless key moments with the Fire, winger **Philip Zinckernagel** was rewarded with a new Designated Player contract on Sept. 2. Here's just a glimpse of the best of "Zinck" with the Men in Red:

- ★ First player in Chicago Fire history to register 15 goals and 15 assists in the same season (2025)
- ★ Tied the MLS record set by Josef Martínez for most consecutive road matches (10) with a goal or an assist in 2025
- ★ First Fire player to record two assists in a single postseason match since 2005 (Oct. 22, 2025 vs. Orlando City SC)
- ★ Back-to-back MLS All-Star appearances in 2025 and 2026
- ★ First player to record an assist (2025) and score (2026) in MLS All-Star Game since Cuauhtémoc Blanco in 2008.

THANK YOU, JOEL AND SHOK!

Defender **Joel Waterman** joined the Portland Timbers following a trade during the Secondary Transfer Window. In exchange, the Fire received \$100,000 in 2026 General Allocation Money, as well as a future sell and trade percentage.

Waterman joined the Fire in late 2025, playing in 26 matches across all competitions, scoring two goals and helping guide the Club to the MLS Cup Playoffs last season for the first time since 2017. The center back has earned 17 caps for the Canada Men's National Team, representing his country in the 2025 CONCACAF Gold Cup, 2024 Copa America, 2022 FIFA World Cup and 2026 FIFA World Cup rosters.

A GLOBAL ICON ARRIVES

On June 29, Chicago Fire FC announced its acquisition of global football icon and Poland's all-time leading goal scorer, **Robert Lewandowski**, as a Designated Player.

The prolific striker arrives in Major League Soccer with one of the most decorated careers in the sport, having tallied more than 700 goals for his national team and top European clubs like FC Barcelona, where he helped the club capture the most recent La Liga title, while leading the German and Spanish leagues in scoring for eight years.

His arrival underscores the Fire's commitment to putting a top-quality team on the pitch, bringing world-class talent to compete for championships and elevate the Club's global profile.

BY THE NUMBERS

Robert Lewandowski is an icon – the numbers speak for themselves. The global icon has won the UEFA Champions League, UEFA Super Cup and FIFA Club World Cup with Bayern Munich, along with 10 Bundesliga titles, four DFB-Pokal trophies and six DFL-Super Cups in Germany with Borussia Dortmund and Bayern. In Spain with FC Barcelona, he added three La Liga titles, one Copa del Rey and three Supercopas.

Here are only a few numbers that highlight the 13-time Polish Footballer of the Year's legendary career:

1

Lewandowski is the top scorer in Poland Men's National Team history, tallying 89 goals in 167 matches.

2

Lewandowski has twice been named the Best FIFA Men's Player by the sport's governing body (2020, 2021).

3

Lewandowski has scored the third-most goals in UEFA Champions League history (109), behind Cristiano Ronaldo and Lionel Messi.

One of only three players to score 100 goals for three different clubs (Borussia Dortmund, Bayern Munich, FC Barcelona)

100

INTO THE FIRE

The Fire welcome their newest striker as a linchpin of an already strong attack, which recorded a Club-record 68 goals in 2025 – the second-highest tally in the league. Lewandowski's arrival comes just months after breaking ground on the Club's new home, McDonald's Park, slated to open in 2028, and following last year's opening of the state-of-the-art Endeavor Health Performance Center.

Lewandowski, 37, becomes the eighth Poland-born player in Club history. The Fire, with six domestic trophies, have featured a cavalcade of international stars since 1998. He joins a distinguished list of European icons to have donned the Fire red, including Ballon d'Or winner Hristo Stoichkov, World Cup champion Bastian Schweinsteiger, and fellow UEFA Champions League winner Xherdan Shaqiri.

A DEFINING MOMENT

The Polish striker immediately got to work, appearing at the Endeavor Health Performance Center just hours after landing in Chicago on July 13. Following his first training with the team, Lewandowski made his first public comments on his arrival to his new club and what is to come.

"I am very happy to be here, to join the Chicago Fire," he said. "As Gregg said, it doesn't matter how many titles I won; for me, it's more important that I still see the potential to win titles with my new club.

"Of course, we have to work hard, and I hope that we can enjoy ourselves after this season with a lot of what we achieved."

"We're excited to bring him to the Club and to have his expertise and his way of professionalism rub off on the rest of the team," said Director of Football & Head Coach Gregg Berhalter. "We have a good team right now, and Robert is a piece that can help take us to the top."

FOR THE STARS AND STRIPES

FIFA World Cup 2026 was the biggest in tournament history, featuring 48 teams across three host countries. For the Fire, it also featured the largest number of players called up to a single tournament in Club history, including two playing for host nations.

Homegrown goalkeeper **Chris Brady** (below) was called up to the U.S. Men's National Team on May 26, becoming the first Chicago Fire Homegrown Player and Chicago Fire Academy graduate to be named to a FIFA World Cup roster.

Brady became the fifth player to be named to a World Cup roster as an active player of the Fire, joining Jorge Campos (1998), Josh Wolff and DaMarcus Beasley (2002), and Xherdan Shaqiri (2022). Brady is only the third to be named to the U.S. Men's National Team World Cup roster as an active number of the Fire.

FOR BAFANA BAFANA

One day after Brady's call-up, defender **Mbekezeli Mbokazi** (below) was also named to a World Cup roster, making him the first Fire player to represent South Africa in the competition.

Mbokazi quickly made a name for himself in front of a massive global audience, starting and playing 90 minutes in the opening match of the tournament in Mexico City. Despite a 2-0 opening loss, "TLB" fared well, earning recognition for his play against an inspired Mexico pushed on by a home crowd in the iconic Mexico City Stadium. Notably, he faced an old friend of the Fire: Brian Cutiérrrez, who became the first Academy and Homegrown player to start and feature in a World Cup match.

His strong form continued through the Round of 32, playing every minute of the competition until facing elimination against another host nation featuring another familiar face: Canada.

FOR THE MAPLE LEAF

A stirring opening ceremony in Toronto welcomed the World Cup to Canada for the first time in competition history on June 12. Although the tournament opened with a 1-1 draw for Canada, the host nation advanced to the Round of 32, where it won a close match against Mbokazi's South Africa.

Taking part in the festivities was defender **Joel Waterman** (below), who was called up to the CANMNT on May 29. The British Columbia native became the seventh player to be named to a World Cup roster as an active player of the Fire, though this was not his first time at such a stage – he was a member of the Canada squad for the 2022 FIFA World Cup in Qatar. Waterman is the first player to be named to a Canada World Cup roster as an active member of the Chicago Fire.

FOR CLUB AND COUNTRY

International duty was not limited to Brady, Mbokazi and Waterman. Several other players also saw action with their national teams over the summer, including the following U.S. Youth National Team call-ups:

- ★ **Sergio Oregel Jr.**, U.S. U-21 Men's National Team
- ★ **Dylan Borso**, U.S. U-20 Men's National Team
- ★ **Christopher Cupps**, U.S. U-19 Men's National Team
- ★ **Robert Turdean**, U.S. U-17 Men's National Team

Robin Lod was also called up to the Finland Men's National Team for an international training camp and two international friendly matches against Germany and Hungary, both on the road.

A LANDMARK PARTNERSHIP

McDonald's and Chicago Fire FC announced on May 13 a historic naming rights partnership that will see the Club's new \$750 million privately-funded stadium named McDonald's Park, opening in 2028.

The riverfront location will integrate public plazas, activated outdoor spaces, and connectivity to surrounding retail and residential development, positioning it as both a matchday destination and a year-round city asset. It is expected to open ahead of the 2028-29 MLS season, becoming the first major professional stadium built in Chicago in more than 30 years.

A GROUNDBREAKING DAY

Chicago Fire FC officially broke ground on its new \$750 million privately-funded soccer stadium in the South Loop, marking a defining moment for the Club and a transformative investment in the future of Chicago.

Club Owner and Chairman **Joe Mansueto**, joined by President of Business Operations Dave Baldwin, city leaders, project partners, and community stakeholders, commemorated the milestone at a ceremonial groundbreaking in the South Loop on March 3. The development underscores Mansueto's long-term commitment to Chicago and belief in the continued growth of Major League Soccer.

A COMMITMENT TO CHICAGO

Since acquiring full ownership of the Club in 2019, Mansueto has committed more than \$1 billion toward the long-term transformation of Chicago Fire FC, including the \$100 million Endeavor Health Performance Center, enhanced Academy investment, and front office expansion. The stadium represents the next chapter in a comprehensive vision to build a world-class soccer organization on and off the pitch.

"This is a historic day for Chicago Fire FC and for the city we are proud to call home," said Joe Mansueto, Owner and Chairman of Chicago Fire FC. "This stadium is about investing in Chicago and creating a world-class home for our fans, players, and community. We are fully committed to delivering a venue that reflects the passion of the city and the ambition of this Club."

Striking a balance between an electric, high-demand atmosphere and a world-class matchday experience, McDonald's Park will display a brick, steel, and glass facade will wrap an interior designed to deliver unmatched comfort, style, and service, reimagining what it means to not only experience a Fire match in Chicago, but to experience a soccer match in the United States.

Gregg Berhalter

Director of Football & Head Coach

SECOND YEAR

PREVIOUS CLUB: USMNT (44-17-13)

TENAFLY, N.J.

Gregg Berhalter returns to the sidelines in his second year with Chicago Fire FC as the 10th full-time Head Coach in Club history. As Director of Football, he also oversees all aspects of the Fire’s sporting operations, including the First Team, Chicago Fire FC II, and the Chicago Fire Academy.

Berhalter began his tenure on October 8, 2024 – the 153rd anniversary of the Great Chicago Fire – on the heels of a 2024 regular season that saw the Club finish last in the Eastern Conference. After making several additions to the first team roster and sporting department during the preseason, he ran out to the best start for a new Fire coach since 2008. In 2025, his side tallied the greatest number of goals in Club history in a single season (68) – winning a record nine matches on the road – while also seeing significant minutes from Homegrown and Academy players, including a record six Academy players on the starting lineup of a 0-0 draw against Orlando City SC on May 3 at Soldier Field. The Men in Red’s on-field success led to their first postseason berth since 2017 – Berhalter’s fifth MLS Cup Playoff team in six seasons.

With 30 years of professional experience as a player, coach, and sporting executive, Berhalter previously enjoyed a successful tenure with the U.S. Men’s National Team, winning three major trophies and returning to the FIFA World Cup. In 74 matches with the USMNT, he compiled a 44-17-13 record, leading the United States to the 2022 FIFA World Cup and paving the way for future success. Under his guidance, the USMNT won the 2021 Gold Cup, two Concacaf Nations League titles, and advanced to the Round of 16 of the 2022 FIFA World Cup, in which the team recorded multiple shutouts for the first time in the tournament since 1930, all while utilizing the youngest pool of players in team history.

Prior to his time with the USMNT, Berhalter spent seven years as a head coach in Sweden (Hammarby IF) and Major League Soccer (Columbus Crew). With his move to Hammarby, he became the first American-born male to manage a professional team in Europe. From 2013-2018, while serving as Head Coach and Sporting Director of the Columbus Crew, Berhalter led the team to the MLS Cup Playoffs in four out of five seasons, including a runner-up finish in the 2015 MLS Cup Final, en route to an overall record of 67-58-45.

Nico Estévez

Assistant Coach

FIRST YEAR

Estévez joined the Fire's technical staff during the FIFA World Cup 2026 break after most recently serving as head coach of Western Conference side Austin FC, which he guided to the MLS Cup Playoffs and the Lamar Hunt U.S. Open Cup final in 2025. Prior to his stint in Central Texas, Estévez earned his first role as a head coach in Major League Soccer at FC Dallas ahead of the 2022 season, leading the club to two consecutive postseason appearances in his first and second years.

The Spanish coach first arrived in MLS in 2014, when he was named Director of Methodology for Columbus Crew SC before serving as an assistant in 2017. He took up a similar role with the United States Men's National Team in 2019, helping coach the USMNT to the inaugural Concacaf Nations League title and the 2021 Concacaf Gold Cup in the same year, while also helping the USMNT qualify for the 2022 FIFA World Cup before his appointment at FC Dallas.

Tom Heinemann

Assistant Coach

SECOND YEAR

Heinemann joined Berhalter's staff in 2025 following a stint with the U.S. U-15 Boys' National Team, where he served as Head Coach since 2022. During his time with the U.S., Heinemann and the U-15s won the League A title in the 2023 Concacaf Boys' Under-15 Championship after defeating Mexico 4-2 in the final.

Heinemann began his coaching career in 2007 alongside a lengthy playing career across multiple levels in the U.S., appearing in 225 matches across Major League Soccer, the North American Soccer League, United Soccer League and USSF Division 2. He won league championships in 2010 and 2015, helping the Charleston Battery to the 2010 USL Championship as league MVP and leading the San Francisco Deltas in scoring en route to their 2017 NASL Championship. He has held coaching positions with Belmont University, Tennessee Soccer Club, Yale University, and the Columbus Crew Academy. Heinemann holds a USSF "A" License

Hector Jiménez

Assistant Coach

SECOND YEAR

Jiménez joined the Fire as an Assistant Coach in 2025 after concluding a decorated 14-year career as player in Major League Soccer. He amassed 232 regular season appearances (152 starts) as a defender, representing the LA Galaxy (2011-13), Columbus Crew (2014-20), and Austin FC (2021-24).

Jiménez retired as a three-time MLS Cup champion, winning back-to-back titles with the Galaxy (2011, 2012) and once with the Columbus Crew (2020). He holds a USSF "B" License and speaks English and Spanish.

Zach Thornton

Goalkeeping Coach

THIRD YEAR

Thornton rejoined the Fire as First Team goalkeeper coach on Dec. 5, 2022, after spending the 2022 Major League Soccer season with the Houston Dynamo. Prior to joining the Dynamo staff, the Maryland native spent seven seasons as goalkeeper coach for D.C. United. The team qualified for the MLS Playoffs on four occasions as he oversaw the development of promising young goalkeepers.

Prior to becoming a coach, Thornton began his MLS career with the New York/New Jersey MetroStars in 1996-1997 before joining the Fire for its 1998 expansion season, where he played until 2006. During that span, Thornton backstopped the team to the Domestic Double, winning the 1998 MLS Cup title and the 1998 Lamar Hunt U.S. Open Cup. He also anchored the team's backline for three additional U.S. Open Cup trophies (2000, 2003 and 2006) and an MLS Supporters' Shield title (2003). He is one of only three players in Club history to be a part of all six of the Fire's domestic championships, alongside Chris Armas and C.J. Brown.

Joe Bendik

Asst. Goalkeeping Coach

SECOND YEAR

Bendik was named Assistant Goalkeeper Coach in 2025 after completing an extensive playing career at the professional level. Beginning in 2010, Bendik played 15 seasons for clubs in the U.S. and Norway. He made 189 appearances (183 starts) in MLS for six different clubs, including the Portland Timbers, Toronto FC, Orlando City SC, Philadelphia Union, Columbus Crew, and Vancouver Whitecaps FC.

He began his professional career in Norway with Sogndal Fotball. He made four appearances in his first season, helping the club gain promotion to the top division. Bendik made five appearances in net during his second season in Norway, including his Norwegian top-flight debut on March 20, 2011, against Strømsgodset IF. He is also a former U.S. youth international, having played at the U-15, U-17 and U-20 levels.

Bendik holds a USSF "C" License and is currently in the process of acquiring a USSF "B" License.

Ryan Needs

Set Piece Coach

THIRD YEAR

Needs joined the Fire in 2024 as the team's set piece coach with a proven track record in elevating team performance through strategic set piece training and execution. He is largely responsible for helping the Fire finish 2025 as the second-best team in the league in set piece goal difference.

Needs originally began his coaching career in the English Premier League with Swansea City FC as an Academy Coach and first team analyst. During his four seasons in Swansea, the team advanced to the UEFA Europa League Round of 32 and achieved its highest finish in the Premier League (eighth) and points tally (56) in the 2014-15 season. Following his time in Wales, Needs also held roles with Leeds United (2016-17), Middlesbrough F.C. (2017-18), Birmingham City F.C. (2018-19), Sheffield Wednesday F.C. (2019-21) and Detroit City F.C.
