**ONE LAST SEPTEMBER HOME GAME****::**

This weekend, Real Salt Lake (8W-13L-5T, 29 points, 13<sup>th</sup> West / 23<sup>rd</sup> Shield MLS) concludes a congested month of September, with a 7:30p MT kickoff Saturday against rising Eastern Conference power New England Revolution (14W-8L-4T, 46 points, 2<sup>nd</sup> East / 3<sup>rd</sup> Shield) ...

For the fourth and final time at home in September, the match presents RSL the opportunity to snap a single-season Club-record 13-game winless run in MLS action dating back to May 16, as well as an overall five-game home drought dating back to August 11 against Liga MX side FC Juarez ...

Saturday's RSL vs. New England contest on Apple TV features **Nate Bukaty** and **Devon Kerr** on the primary English-language call, while **Oscar Salazar** will provide the Spanish-language analysis ...

Simultaneously, the KSL Radio team of **David James** and **Jay Nolly** return to the mic, with **Nelson Moran** – now in his 22<sup>nd</sup> RSL season as RSL's Spanish radio voice – conducting the Spanish call on KBMG Latino 106.3 FM ...

**ALL-TIME HISTORY  
AGAINST NEW ENGLAND ::**

Overall, RSL holds a dominant 12-6-6 (W-L-T) record against New England in MLS regular-season play since 2005, doubling the Eastern side's wins in the matchup ...

That RSL record is even better on Utah soil, with seven wins and three draws against just two losses, RSL outscoring the Revolution 27-10 when playing at home ...

New England lost 6-0 and 5-0 in its first two visits to Sandy back in 2009 and 2010, while the last time the Revolution departed Utah with a full three points was nearly 20 years ago, when New England triumphed, 2-1, in July of 2007 on the Rice-Eccles Stadium artificial turf ...

While encounters between the two sides are few and far between, RSL last lost to the Revolution in 2017, the Claret-and-Cobalt currently riding a four-game unbeaten run against the East Coast squad, scoring nine goals and conceding just three across those battles ...

The most recent matchup took place just over two years ago, when RSL defended America First Field

with a 2-0 victory fueled by goals from Anderson Julio and **Philip Quinton** in August, 2024 ...

**SEATTLE SNAPS STREAK  
AT RSL EXPENSE WEDNESDAY ::**

While RSL's dubious overall MLS and road streaks were extended in Wednesday's 2-0 loss at Lumen Field, Seattle rode goals from two former RSL men – Danny Musovski and Albert Rusnák – to snap its 13-game run without a win, dating back to May 13 for the Sounders ...

Since the first meeting between the two sides in 2009, RSL holds a slight edge over Seattle, with an overall record of 20-18-9 (W-L-T) ... The home side has now won six of the last seven meetings between the teams, with RSL earning a 1-1 draw in Seattle back in 2024 ...

Earlier this season, the Sounders traveled to the Riot for RSL's home opener on February 28, suffering a 2-1 loss ... RSL opened up the scoring through 19-year-old Academy man **Aiden Hezarkhani**, who netted his first-ever MLS score in the 23<sup>rd</sup> minute ... Later, Australian striker **Ariath Piol** ultimately scored the game-winner for his lone goal of 2026, unfortunately ending his season in the 82<sup>nd</sup> minute after suffering a torn Achilles ...

**A TALE OF TWO SEASONS FOR RSL ::**

RSL's single-season Club-record winless streak of 13 games dates started with a late concession in a 1-1 draw at Minnesota on May 23 ...

That match – RSL's 14<sup>th</sup> of 2026 – marked homegrown DF **Justen Glad**'s last appearance, and ended up being the first of teenage attacker **Zavier Gozo**'s final three games with the Claret-and-Cobalt ...

The May 16 home victory over Colorado – a 2-1 come-from-behind win, its last in MLS play – presents a clear demarcation of RSL's season slate:

First 13 matches:

- 8W-4L-1T, 25 points, 3<sup>rd</sup> West
- 25 GF / 18 GA
- +7 goal differential
- 1.92 PPG

Last 13 matches:

- 0W-9L-4T, 4 points, 13<sup>th</sup> West
- 12 GF / 26 GA
- -14 goal differential
- 0.31 PPG

With eight games remaining, 2026 now marks RSL's worst season since 2007 and its 3<sup>rd</sup>-worst overall amongst 22 years ...

### ***WHAT HAPPENED? ::***

Several factors have contributed to the stark second-half MLS performances, including, but not limited to:

1) 170 games so far lost to injury / suspension / visa issues, with **Ariath Piol** (Achilles) and **Emeka Eneli** (knee) out nearly the entire season, with **Justen Glad** (adductor) also out for extended period ... The last month has seen **Diego Luna** require a meniscus repair in his knee, **Stijn Spierings** suffer a high ankle sprain, **Sam Junqua** with a concussion, while **Zach Booth**, **Lukas Engel** and **Juan Jose Arias** also missing numerous games due to hamstring injuries ...

2) schedule congestion post-WC and the Club's Leagues Cup Quarterfinal run has led to several multiple-game weeks and short turnarounds, including 13 games in 44 days from July 22 to Sept. 9 across all four time zones ...

3) RSL has seen its collective overall speed and athleticism absent without Justen Glad, Xavier Gozo and Zach Booth, with only the inconsistent Dominik Marczuk able to run past all opponents ...

4) During this season, heavy rotation, integration and assimilation has been required, with 17 players making their Club debuts in 2026, including 12 youngsters aged 22 or younger earning their first-ever first-team minutes, most of them with less than a year of profession experience, either at MLS NEXT Pro level with the Monarchs or abroad ...

5) Of 30 teams in MLS, RSL is at the bottom in terms of top-end roster production, as DPs Morgan Guilavogui and Justen Glad have rarely found the scoresheet, while only Diego Luna has contributed heavily amongst the quartet of U22s with Juan Jose Arias, Ariath Piol and Dominik Marczuk ...

### ***DESPITE IT ALL, YOU'RE SAYING THERE'S A CHANCE? ::***

RSL remains in the thick of the Western Conference playoff race, amongst a glut of teams 7-13 with eight games remaining ...

With a win Saturday against New England, RSL will have a 30% probability for postseason qualification, while a loss will drop RSL's chances to just 10% ...

### ***DIEGO LUNA OUT FOR SIX MONTHS ::***

RSL playmaker **Diego Luna** underwent a successful meniscus repair in his knee a week ago Friday in a procedure performed by U.S. Soccer Chief Medical Officer and orthopedic surgeon Dr. Bert Mandelbaum in Santa Monica, California ... The 22-year-old midfielder is now expected to miss approximately six months after suffering the knee injury back on Sept. 9 in Houston, while playing 70 minutes in the 2-1 road loss, with the meniscus tear identified via MRI a day later ...

Luna – who scored five goals and added eight assists in 22 games across all competitions this year for RSL – has returned to Utah to begin the rehabilitation process under the care of the Club's performance and medical group, in conjunction with Intermountain Health caretakers and facilities ...

"The surgery was a success and we are grateful to Dr. Mandelbaum," said **Dave Tenney**, Senior Director of High Performance for Real Salt Lake and Utah Royals FC. "Our job now is to provide structured, patient rehabilitation. Diego has the full support of our performance and medical staffs, as well as those of Intermountain Health, and he is already approaching the work the right way. We look forward to seeing him back on the field in 2027."

### ***INTERNATIONAL DUTY CALLS::***

In addition to Luna, two RSL players missed this week's action due to the ongoing FIFA international break, as Uruguayan World Cup standout **Juan Manuel Sanabria** and Canadian World Cup centerback **Luc de Fougerolles** have departed for their nations' four-game slates ...

Trinidadian centerback **Kobi Henry** will join his country following Saturday's home New England match, as will U.S. Youth National Team standout **Colin Guske** ... Another USA youth international, RSL Academy midfielder **Luca Moisa**, joined his camp in progress after Wednesday's Seattle trip, as did Georgian international **Saba Lobjanidze** ...

Additionally, Real Monarchs DF **Gio Calderon** will represent Puerto Rico on the senior stage, while **Antonio Riquelme** will participate with Chile's U-20 squad and RSL Academy man **Konstantinos Kyriazis** will represent the Greece U-17s ...

**EMEKA ENELI RETURNS TO ACTION ::**

Last Saturday's silver lining was the return of former captain and versatile fourth-year man **Emeka Eneli**, recovering from a persistent knee injury and resultant recovery to come off the bench to make his first appearance since last October's Wild Card playoff match at Portland ...

In the 64th minute, former RSL captain and 2025 USMNT midfielder **Emeka Eneli** made his return to the pitch for the first time in 11 months ... Eneli has been sidelined since last year's postseason with a complicated and progressively obstinate knee injury, making his last appearance in the West Wild Card match back on October 22, 2025, at Portland ...

Drafted by Real Salt Lake in the 2023 MLS SuperDraft out of Cornell, Eneli made his presence felt throughout the historic 2024 RSL campaign, recognized for his positional versatility and becoming the youngest captain in RSL's 22-year history in a road match at Kansas City ...

The former Ivy Leaguer capped off that year by winning the Club's 2024 Most Valuable Player award as voted by his peers, receiving his first callup to the U.S. Men's National Team ... Eneli earned two caps for the Stars-and-Stripes in January, 2025, amongst his 68 appearances for RSL, even scoring once back in a 2024 Audi MLS Cup Playoff match at Minnesota ...

Although his 2025 season was marred by a quadriceps injury, Eneli played a pivotal part in the 2025 MLS season as he was instrumental in the midfield, buoyed by his taste of national team success ...

**INJURED LIST GETTING SHORTER ::**

While the Sept. 12 NYCFC match also saw Colombian U22 centerback **Juan Jose Arias** suffer a 54<sup>th</sup>-minute hamstring strain that will see him – after starting in 10 of the last 12 matches for RSL – now out for an extended period of time, this past week has seen both **Stijn Spierings** and **Sam Junqua** return in addition to Emeka Eneli ...

Spierings suffered a high ankle sprain on August 25 just 20 minutes into the Leagues Cup Quarterfinal match against Leon ... Junqua's concussion was suffered four days later in the Club's 1-0 Rocky Mountain Cup loss in Denver ...

With the extended absences this year for Eneli, centerback **Justen Glad** (adductor) and forward **Ari Piol** (achilles), RSL has now seen more than 170 games lost due to injury, suspension or visa issues this

year, the 12<sup>th</sup>-most of 30 teams in 2026, a total considered 5% higher than average ...

**RSL IN SEARCH OF HOME COOKING  
ONCE AGAIN ::**

Following the Seattle trip midweek, RSL remains home Saturday for the fourth of four September matches on Utah soil, looking to reclaim the Club's 2026 home dominance ... Despite back-to-back shutouts the last two weeks with the 0-3 against Vancouver Saturday and the 0-2 home loss to New York City FC on Sept. 5, as well as the 2-2 draw against LAFC on Sept. 5, RSL does boast an impressive 10-4-3 (W-L-T) overall record on Utah soil this season ... Recent setbacks in Sandy since the FIFA World Cup break have dropped the Claret-and-Cobalt to 18-7-5 (W-L-T) at its America First Field fortress since June 1, 2025 ...

The Sept. 12 loss against New York City marked the 13<sup>th</sup> and final match played in a 44-day span for RSL across both MLS and Leagues Cup competitions since the summer international break, a run that began with late July road losses at LAFC and Portland ...

While the Leagues Cup Phase One run was bookended by the St. Louis and Minnesota draws to create a five-game unbeaten streak amidst RSL's post-World Cup slate, the Club is now seeking to snap the dubious overall winless streak – now at 12 games, the longest during the five-year **Pablo Mastroeni** era and the third-longest in RSL's 22 seasons – with this week's Seattle trip ...

**RARE HOME SHUTOUTS SUFFERED ::**

Last Saturday at a sold-out America First Field – hosting its 15<sup>th</sup> consecutive MLS sellout, dating back to last August – RSL fell 0-3 to Vancouver on the heels of an 0-2 loss against a resurgent NYCFC, suffering back-to-back home shutouts for the first time since April, 2025 ...

Should RSL fail to score on the weekend against New England, it would go three consecutive home games without scoring for the first time since April/May, 2023 ...

RSL arrives to host New England with an active 284-minute scoreless streak, last finding the back of the net with Saba Lobjanidze's equalizer at Houston two weeks ago ...

## ***NEW BLOOD EMERGES DURING CONGESTED SCHEDULE ::***

Newly-acquired attacking player **Taylor Booth** – a former RSL Academy star and a native of Eden, Utah – became the 14<sup>th</sup> Club debutant of 2026 and all-time RSL player No. 243 with his late appearance off the bench each of the last two weekends ...

Two other newcomers – DF **Luc de Fougierolles**, Canadian World Cup starter and FW **Dušan Žagar**, the 19-year-old Serbian winger, each of whom were added at the transfer window deadline on Sept. 2 – await their Club debuts ...

While Booth joined FW **Jason Shokalook**, MF **Colin Guske** and Academy M/F **Owen Anderson** in making their first-ever RSL appearances in recent weeks, nearly a dozen players were out due to injury or visa status during last week's three-game stretch ...

Pending visa approval, Canadian World Cup centerback **Luc de Fougierolles** would potentially see action on October 10 at Philadelphia, while Eneli, midfielder **Stijn Spierings** and defender **Sam Junqua** started Wednesday in Seattle ...

Late midweek at Lumen, another Real Monarchs callup made his MLS debut, as second-year defender **Liam O'Gara** became all-time RSL player No. 244 in the Club's 22 seasons ...

## ***RSL PREVIOUSLY DYNAMITE AGAINST THE DYNAMO ::***

Two Wednesday's ago at Shell Energy Stadium in Houston, RSL fell 2-1 to extend its active road winless run to 11 games, last winning away from home back on March 7, when HC **Pablo Mastroeni**'s side won 3-2 at Atlanta ...

The midweek loss in Houston on the Dynamo's 87<sup>th</sup>-minute dagger snapped a three-game win streak against the Orange-and-Black, which took a 1-0 lead early in the second half, only to see RSL newcomer **Saba Lobjanidze** find the equalizer on **Lineker Rodrigues**' first-ever MLS assist ...

Lobjanidze's goal was his second in as many games, but the substitutes – including RSL Academy man **Owen Anderson**, making his RSL / MLS debut late – could not find a second equalizer ...

RSL arrived at Shell Energy Stadium in Houston Wednesday winners of its last three against the Dynamo, including a dominant 3-0 home win in Utah back on May 13, which saw RSL score all three in the

second half, as a Houston own goal and a Xavier Gozo brace secured the full three points for RSL ...

The Utah side won both 2025 contests between the sides, including a 2-1 win in Houston last March that saw **Diego Luna** provide the game-winning goal deep into first-half stoppage time, after RSL opened the scoring through Luna and **Emeka Eneli** for Diogo Gonçalves in the game's first minute ...

All-time, RSL owns a 14-11-9 (W-L-T) mark against the Dynamo, despite the Houston eliminations of RSL from both the 2023 Lamar Hunt U.S. Open Cup at the Semifinal stage, and the 2023 Audi MLS Cup Playoffs, in a three-game First-Round series decided by a pair of penalty-kick shootout tiebreakers ...

## ***REINFORCEMENTS INCOMING SATURDAY? ::***

In recent weekends, newly-acquired FW **Jason Shokalook** became the 12<sup>th</sup> Club debutant of 2026 and all-time RSL player No. 241 with his late appearance off the bench, while two other newcomers – MF **Taylor Booth** and DF **Luc de Fougierolles**, each added at the transfer window deadline on Sept. 2 – await their Club debuts, as does FW **Dušan Žagar**, the 19-year-old Serbian winger ...

Back on August 29 at Colorado, another of RSL's all-time Club-high seven summer window additions, MF **Colin Guske**, became No. 240 in RSL's 22-year history to see MLS action, the loanee from Orlando playing the final 20+ minutes in Colorado ...

Now with 14 league games remaining in its 22<sup>nd</sup> all-time MLS season, RSL has resumed its 2026 MLS campaign four weeks removed from last month's 4-1 exhibition win over English Championship side Burnley FC ... The first of at least four international clubs to arrive on the Wasatch Front during a 30-day midsummer span, Burnley was denied early by a sixth-minute penalty-kick save from Captain **Rafael Cabral**, later buoyed by a brace from rookie FW **Sergi Solans**, the Club's co-Golden Boot leader with Utah native and teenager **Zavier Gozo**, who also added a goal and an assist on the night ...

RSL star **Diego Luna** converted a late penalty to determine the final margin, with Burnley becoming the 33<sup>rd</sup> of 35 different international opponents to compete on Utah soil against Real Salt Lake, which now boasts an all-time 20W-10L-10T mark against international visitors with the recent Tigres, Atlante and Juarez matches ...

The Burnley home match afforded RSL Head Coach **Pablo Mastroeni**'s side – then with an 8-6-3 (W-L-T) record, good for 27 points – the opportunity to improve on its then dominant 10-1-2 (W-L-T) mark at home this season, before resuming the bulk of its 2026 MLS reg. season campaign ...

## ***EARLIER THIS SEASON, RSL CHOPPED DOWN TIMBERS ::***

Prior to the mid-May Houston/Colorado contests, in its previous home win back on May 2, RSL snapped its two-game losing streak with a dominant first-half performance against visiting Portland, as USA World Cup hopefuls **Zavier Gozo** (10<sup>th</sup> minute) and **Diego Luna** (28<sup>th</sup> minute) each found the back of the net against the Timbers ...

Uruguayan international **Juan Manuel Sanabria** assisted on both goals, while rookie **Sergi Solans** also tallied an assist ... French-born playmaker **Morgan Guilavogui** was also dangerous on the attack, slamming a long-distance shot off the crossbar and seeing multiple breakaways snuffed out ... Holding midfielders **Noel Caliskan** and **Stijn Spierings** also saw dangerous attacking opportunities saved in an impressive performance by Timbers' keeper James Pantemis ...

## ***ROCKY MOUNTAIN CUP COMEBACK DRIVEN BY GOZO, SOLANS ::***

The mid-May 2-1 comeback win over Rocky Mountain Cup rival Colorado was a professional victory, RSL conceding a "soft" goal early, according to Mastroeni, going down 0-1 in the game's seventh minute on a corner kick that was never properly dealt with ...

Late in the first half, a high press by the hard-working former RSL Academy man **Zach Booth** – starting his first of two consecutive late May matches since the two February MLS matchdays – created a turnover off a deflection, the ball squirting to rookie RSL FW **Sergi Solans**, who set up red-hot Utah teenager **Zavier Gozo** with the 38<sup>th</sup> minute equalizer ...

The goal for Gozo was his fourth in a five-game MLS span, THEN his team-leading sixth of the season, to go along with five assists ...

In the 68<sup>th</sup> minute, Solans got his head to an exquisite **Juan Manuel Sanabria** cross for the game-winning score to give RSL the 2-1 result ... Solans moved into the 2026 RSL Golden Boot lead with Gozo, both at six goals this year prior to Solans' seventh Saturday in St. Louis ...

The Solans header was his third of the season, as was his game-winner, the college rookie also providing the decisive scores in the 4-2 win over San Diego and the 2-1 win over Kansas City ...

## ***STRONG SECOND-HALF WAKE-UP CALL v HOUSTON ::***

Also in early May, RSL rode a brace from 19-year-old **Zavier Gozo**, making the Utah native the youngest-ever multi-goal scorer in the Claret-and-Cobalt's 22-year history ... Gozo, at 19 years / 52 days, broke the three-year-old record set by **Diego Luna**, back in July, 2023, when he was 19 years / 311 days, at home in a win over New York Red Bulls ahead of his USA U-20 foray in France ...

Following a sleepy first-half, RSL struck early in the second, when a long **DeAndre Yedlin** throw-in was headed into Houston's own goal, giving RSL a 1-0 lead ... 10 minutes later, a 60-yard run by Yedlin set up the first of two Gozo goals, the West Valley-born teen completing the brace on a **Stijn Spierings** primary assist ...

RSL GK **Rafael Cabral** also received credit for the secondary assist on the first Gozo goal, becoming the first Claret-and-Cobalt 'keeper since Gavin Beavers

back in August, 2024, on a midfield goal by former RSL man Anderson Julio ...

## **ZAVIER GOZO FIRST-EVER UTAH NATIVE NAMED TO MLS ALL-STAR FIRST XI ::**

Back in early June, Real Salt Lake, in conjunction with Major League Soccer, announced the First XI players named to the 2026 MLS All-Star Game presented by Chime, an 11-man group featuring Utah's very own **Zavier Gozo** ... Selected through a combined vote of MLS fans, players, and media members, 19-year-old attacker Gozo and the First XI highlights the standout performers from the first part of the MLS regular season ... The 11 players include icons like Lionel Messi (Inter Miami CF) and Son Heung-Min (LAFC), alongside breakout young talents such as Gozo and Mbekezeli Mbokazi (Chicago Fire FC) ...

"It's pretty cool to be the first-ever Utah player to be named an All-Star in MLS," said Gozo, the third RSL Academy homegrown player to earn MLS All-Star recognition (Justen Glad, Aaron Herrera). "I'm very grateful to all the fans, players and media across the league for recognizing me with this prestigious honor."

"I look forward to hopefully having a few of my RSL teammates join me in Charlotte, and I'll be very excited to get back on the field and get things going again later this Summer."

The 2026 MLS All-Star Game presented by Chime will be played in Charlotte, N.C., pitting the MLS All-Stars against a team of All-Stars from Mexico's top soccer league, LIGA MX, next Wednesday, July 29 (6 p.m. MT) at Charlotte FC's Bank of America Stadium ...

### **2026 MLS All-Star Game pres. by Chime First XI:**

- GK (1): **Brian Schwake** (Nashville SC)
- Left Back (1): **Anthony Markanich** (Minn.)
- CBs (2): **Mbekezeli Mbokazi** (Chicago) and **Tim Ream** (Charlotte FC)
- Right Back (1): **Andy Najar** (Nashville SC)
- **DM (1): Sebastian Berhalter** (Vancouver)
- Attacking Midfielders (2): **Zavier Gozo** (RSL) and **Hany Mukhtar** (Nashville SC)
- Forwards (3): **Hugo Cuypers** (Chicago), **Son Heung-Min** (LAFC), & **Lionel Messi** (Miami)

One of three domestic products (Gozo, Markanich, Schwake), West Valley-born and Eagle mountain-raised Gozo becomes the youngest-ever RSL representative at the annual MLS All-Star Game at just 19 years old, surpassing **Diego Luna**'s 20-year-old selection at the 2024 All-Star game in Columbus ... Gozo also becomes just the second teenager to be

selected to an MLS All-Star Game in the last five editions, joining Obed Vargas (2025) ...

Gozo's six goals in 16 games this season had him tied atop the 2026 RSL Golden Boot leaderboard with rookie **Sergi Solans**, with last year's USA U-20 star Gozo leading the Claret-and-Cobalt way in goal contributions with 11 (6 goals, 5 assists) entering the FIFA World Cup Break ... Etching his name into the record books on multiple occasions, Gozo became the youngest in RSL's 22-year history to record two or more goals in a game back on May 13 in a 3-0 home victory over Houston, at just 19 years and 54 days old; that brace eclipsed the previous mark, set nearly three years ago, held by current teammate Luna, who was 19 years and 311 days old back on July 15, 2023 ...

Gozo's pursuit of Major League Soccer's all-time record for game-winning goal contributions by a teenager remains in effect, with this year's total of five combined game-clinching goals/assists placing him second all-time, the Utah native remaining three GWCs shy of Diego Fagundez' mark of eight game-winning contributions in 31 games for the 2013 New England Revolution ...

Gozo's 2026 MLS All-Star selection is the most recent of the Utah Club's 22-year history, joining **Diego Luna** (2025, 2024), **Cristian Arango** (2024), **Justen Glad** (2024) and **Damir Kreilach** (2021) from the Pablo Mastroeni era ...

Previous RSL players honored with MLS All-Star selections include **Nick Rimando** (2019, 2015, 2014, 2013, 2011, 2010), **Kyle Beckerman** (2016, 2014, 2013, 2012, 2011, 2010, 2009, 2007), **Tony Beltran** (2015, 2013), **Fabian Espindola** (2012), **Jamison Olave** (2012, 2011, 2010), **Javier Morales** (2010, 2009), **Will Johnson** (2009) and **Eddie Pope** (2007, 2005), while **Jason Kreis** was named to an MLS "select" team in 2005 that traveled to face Real Madrid ...

## **URUGUAYAN WORLD CUP STAR JUAN MANUEL SANABRIA SHINES BRIGHTLY THIS SUMMER ::**

First-year Real Salt Lake MF **Juan Manuel Sanabria** (nicknamed "JuanMa") emerged as one of few standouts for his home nation of Uruguay in this summer's 2026 FIFA World Cup, *La Celeste* failing to emerge from group play following its final group stage 1-0 loss to eventual champion Spain ... Sanabria and Uruguay needed the full three points against Lamine Yamal and Spain to advance to the Round of 32 following a disappointing 2-2 draw with surprising upstarts Cape Verde and a comeback 1-1 draw to open the group stage against Saudi Arabia ...

Before starting against both Cape Verde and Spain, the left-sided RSL man entered at halftime for his World Cup debut in the opening match against the Saudis, playing the final 45 minutes and helping spark the South American side's 81<sup>st</sup>-minute equalizer ... Sanabria started and played the full 90 minutes against Cape Verde in the second Uruguayan match, then again being selected to start against Spain – where his assignment was to contain the blazing speed and dynamic skill of Yamal ...

Sanabria not only endured the test against the incredible Spanish teen, but made a name for himself with his trademark poise and intelligent play ... While Spain dominated possession against Uruguay – as it typically does against any opponent – Sanabria minimized Yamal's effect ... On multiple occasions it was Sanabria who either won the ball when on an island with Yamal, or spearheaded Uruguay's swarming defense in and around the box, denying several chances prior to fruition ...

Ultimately, it was a 42<sup>nd</sup>-minute gaffe by the Uruguay goalkeeper that saw a weak shot glance off his hands and into the net for a 1-0 Spain lead at halftime ...

Sanabria was removed in the 70<sup>th</sup> minute as Uruguay opted to push for the two goals needed to ensure advancement, with Yamal subbing out shortly thereafter. Sanabria won 7 of 9 duels, committed one foul (for which he did receive a caution), made seven tackles, three clearances and one interception ...

Popular social media memes alluded to Yamal being one of the items Sanabria removed from his pockets, along with keys, phone, wallet, etc., following the contest ...

In late May, famed Uruguay manager Marco Bielsa named Sanabria – the dynamic, 26-year-old playmaker to the legendary squad ... Sanabria continues RSL's quadrennial World Cup participation tradition, following in the footsteps of **Bryan Oviedo** (Costa Rica, 2022), **Carlos Salcedo** (Mexico, 2018), **Kyle Beckerman & Nick Rimando** (USA, 2014), **Robbie Findley** (USA, 2010), **Eddie Pope** (USA, 2006) and **Douglas Sequeira** (Costa Rica, 2006) ...

Sanabria – who leads RSL with six assists in 11 games played so far in RSL's 2026 MLS campaign – departed in late May from Minnesota to Uruguay's training camp in its Montevideo home ... Uruguay returned home after the 17<sup>th</sup>-ranked FIFA nation – which won the World Cup in 1930 as host nation and the 1950 tournament in Brazil – became the highest-ranked side eliminated at the group stage in the 48-team tournament ...

Arriving at RSL in late January, Sanabria joined the Claret-and-Cobalt via permanent transfer for the 2026 and 2027-28 Major League Soccer seasons from Liga MX upstart Atlético San Luis, with a Club option for the 2028-29 campaign. Sanabria – a dual-national Uruguayan/Spanish citizen – also started and played the full 90 minutes against RSL in last year's Leagues Cup group stage match at America First Field, won by San Luis via shootout tiebreaker ...

Born on March 29, 2000, the dynamic, chance-creating, left-sided Sanabria had appeared in 170 games across all competitions for Liga MX side Atlético San Luis since the summer of 2021, scoring eight goals while playing multiple positions front-to-back on the left side ... In the six months prior to his RSL arrival, Sanabria was a perennial starter and often-times Captain for San Luis, scoring two goals and adding five assists in 22 games across multiple competitions, including the August Leagues Cup matches against MLS sides ...

The Uruguayan international made his professional move to Mexico in mid-2021, arriving from Spain, where he appeared in 46 games across two years. Sanabria scored once in his 13 matches with Real Zaragoza while on loan from Atlético Madrid, for whom he appeared just once as a 19-year-old, mostly featuring with that club's youth side, Madrileño (three goals in 32 matches) ...

The former Uruguay youth international appeared in 88 youth national team games for the CONMEBOL nation's Olympic-age, U20, U17 and U15 selections, prior to his now eight recent appearances in seven invitations to the first team throughout late-stage World Cup Qualifying and the last three FIFA windows ... In June, 2025, Sanabria received his first call-up to Uruguay's senior national team, making his debut last October in a 1-0 friendly win against the Dominican Republic. Sanabria then scored his first goal three days later, on October 13, 2025, in a 2–1 win over Uzbekistan ...

This March, Sanabria was on the field as a substitute for Uruguay's late equalizer in a 1-1 draw at historic Wembley Stadium in London against host England, also coming off the bench late a few days later in Naples, Italy, in a 0-0 draw with Algeria ...

### ***FIRST SUMMER DEPTH MOVE SEES RSL ADD M/F SABA LOBJANIDZE ::***

Back on July 1, Real Salt Lake acquired M/F **Saba Lobjanidze** from Atlanta United FC for the remainder of the 2026 Major League Soccer regular season ... The transaction also includes Atlanta's third-round pick

in the 2028 MLS SuperDraft, with RSL sending \$625,000 in General Allocation Money (GAM) to Atlanta, which would receive an additional \$100,000 in 2027 GAM if Lobjanidze re-signs with the Claret-and-Cobalt ...

Born on December 18, 1994 in Tbilisi, Georgia, shortly after the dissolution of the former Soviet Union, Lobjanidze – a current U.S. green card holder, qualifying as a domestic player for MLS roster purposes – arrived in the North American top-flight in August, 2023, signing with Atlanta, where he recorded 15 goals and added 21 assists in 93 career appearances for United ...

Prior to his RSL arrival, Saba owned two goals and one assist in 13 appearances with Atlanta, the 15<sup>th</sup>-placed Eastern Conference side ...

“This addition of Saba to our roster should provide depth at multiple positions and competition in training each day,” said RSL’s Chief Soccer Officer and Sporting Director **Kurt Schmid**, noting that Lobjanidze arrives at RSL with a significantly reduced budget charge for the remainder of the 2026 season. “With nearly 100 games played in MLS during the last three years, we expect Saba to adjust quickly to our system, which we think accentuates his attacking strengths and puts him in a position to succeed. We look forward to integrating him quickly as we prepare for our upcoming Burnley FC friendly and our Leagues Cup matches, in addition to the remaining 20 MLS regular-season matches this season.”

Coming to North America from Turkish SüperLig side Hatayspor in summer 2023, Lobjanidze (**FULL PRONUNCIATION: SAH-bah Lobe-jah-NEET-zay**) made an immediate impact, starting six of his nine appearances and notching three goals and four assists in 467 minutes during the regular season, including a goal in his MLS debut on Aug. 26, coming off the bench in a 4-0 win against Nashville ...

The Georgian international added seven assists to give him a single-season career-high 17 goal contributions in the League in his first full season, also tallying another goal in Leagues Cup action ...

Lobjanidze also represented his native Georgia at Euro 2024 in the country’s first major international competition, making one appearance in the group stage ... In 2025, Lobjanidze tied for the Atlanta team lead in both assists (seven) and appearances (33) during the regular season, again adding a goal and an assist in Leagues Cup competition ...

Now 31-years-old, Lobjanidze brings a wealth of professional experience to Real Salt Lake. Since turning professional in the 2014-15 season as a teenager, Lobjanidze boasted 288 total appearances, 69 goals and 57 assists across all club competitions prior to his MLS arrival three years and 93 games ago ...

The Tbilisi native began his professional career coming through the ranks of his hometown club Dinamo Tbilisi, making his first division debut on Aug. 10, 2014 for Dinamo in a 2-0 victory ... His first goal came in his first start in a 6-0 victory over Shukura. Dinamo won two trophies that season, the Georgian Cup and SuperCup, while Lobjanidze would add the Georgian league title to his resume the following season ...

During three seasons in his native country, he made 60 total appearances with 12 goals and 14 assists, before making a move to Denmark with Randers FC in the summer of 2017 ... ### ***GOZO CONTINUES HOT STREAK, MLS HISTORY TERMINATED ::***

Prior to his August 12 transfer to Crystal Palace, RSL Academy homegrown and Utah native **Zavier Gozo** had been sensational this season, with six goals and four assists through 16 matches in 2026, although the early May Dallas performance was perhaps his most muted of the year ...

Five of Gozo's 11 goal contributions were of the game-winning variety (two GWG, three GWA), the most in Major League Soccer by a teenager this season ... Gozo's five game-winning goal contributions are not just the most in MLS this year, but tied for the second-most in the League's 31-year history, despite just playing 13 games in 2026 ...

In 2013, Diego Fagundez tallied eight GWCs in 31 games for the New England Revolution, while Gozo is now the fifth teenager in MLS history to notch five combined game-winning goals/assists, joining Fagundez and Freddy Adu (2005), Jozy Altidore (2007) and Alphonso Davies (2018) ...

### ***ROAD IMPROVEMENT NEEDED FOR 2026 BOUNCEBACK ::***

The recent loss at Houston and late July setbacks at LAFC and Portland ahead of the early August 1-1 draw at St. Louis dropped RSL to 1-8-3 (W-L-T) away from home this season, including the Colorado loss two Saturdays ago ...

On March 22 at San Diego, the evolving, new-look RSL once again displayed its trademark "xDAWG" resilience in avoiding road losses, as RSL did again this week at St. Louis ...

Despite scoring first at San Diego on March 22, RSL was able to secure a point with the late **Victor Olatunji** equalizer, on the heels of several opportunities for **Diego Luna**, **Zavier Gozo** and **Morgan Guilavogui** that narrowly missed in RSL's comeback attempt ...

Back on March 7, RSL put together an 18-minute, 3-goal burst late in the first half that saw **Sergi Solans** provide his debut goal, **Aiden Hezarkhani** score his second consecutive MLS goal and then a **Zavier Gozo** lefty bombazo to win its first road match in its second attempt of the year ...

In its opening away match this season, RSL dropped the Feb. 21 match at Vancouver in a contest that saw

a late first-half goal disallowed and a retroactive red card to Sabbi ignored by VAR that could have seen RSL up a man for 40 minutes in a 0-0 contest ...

Winning away on just three road occasions a year ago, RSL's 2026 side looks to recapture its Club-best road form achieved during the 2023/24 seasons, when the 2023 side posted an impressive 11W-8L-5T away mark across all competitions, a record which includes that year's Open Cup and Audi MLS Cup Playoff eliminations at Houston ...

In 2024, the Claret-and-Cobalt registered the second-most road points in RSL history, with a 5W-4L-8T MLS reg. season mark, one which does NOT include its heartbreaking, multi-goal Leagues Cup elimination loss to the Dynamo ...

### ***EARLY-SEASON FIRSTS FOR RSL ::***

During the first 17 MLS matchdays of 2026, RSL had seen 23 different players start a match, with 2024 MLS SuperDraft pick **Lineker Rodrigues dos Santos** making his first 2026 start August 1 in St. Louis after his season debut off the bench in late May at Minnesota ... MF **Stijn Spierings** and his March 14 heroics adding his name to a now 242-player list that saw yet another RSL Academy product – MF **Griffin Dillon** – appearing for the final 45 minutes of the 3-2 road win at Atlanta on March 7 ...

Newly-acquired Designated Player **Morgan Guilavogui** joined Uruguayan World Cup hopeful wingback **Juan Manuel Sanabria** and veteran DF **Lukas Engel** in making their RSL debuts in the 2-1 win over Seattle on Feb. 28, with the trio of RSL Academy men MF **Luca Moisa** and MF **Zach Booth** joining rookie FW **Sergi Solans** in donning the Claret-and-Cobalt crest for the first time in the Feb. 21 opening-day loss at Vancouver ...

Six weeks ago at Portland, RSL saw first-year U22 DF **Juan Jose Arias** return from injury to make his 2026 debut, which could be critical with centerbacks **Philip Quinton** (calf) and **Lukas Engel** (hip) going down in warmups in recent weeks, and veteran **Justen Glad** (adductor) coming out early in the 61<sup>st</sup> minute on May 2 against the Timbers ...

Also, prior to the Arias debut, newcomer M/F **Saba Lobjanidze** did become the 237<sup>th</sup> all-time RSL player to log official minutes, the eighth to register an assist in his Club debut and 14<sup>th</sup> ever to provide a goal contribution in his initial RSL appearance ...

## **CELEBRATORY GOAL EXPLOSION APRIL 18 v SAN DIEGO ::**

RSL – which has scored two or more goals in nine of its previous 14 contests prior to the World Cup break since the Matchday One shutout suffered at Vancouver – secured multi-goal wins in each of its two games prior to the April 22 Miami loss, downing visiting San Diego back on April 18 by a 4-2 scoreline that saw **Diego Luna** and **Sergi Solans** score 90 seconds apart within the game's first six minutes ...

The early goal explosion was just the second time in Club history that RSL scored twice within the first 6 minutes of a match, a feat first accomplished last April in an eventual 2-3 loss against visiting Vancouver, a game that saw **Zavier Gozo** score his first-ever MLS goal in the game's first minute ...

RSL saw rookie Solans strike again in the 38<sup>th</sup> minute and DP FW **Morgan Guilavogui** score his first-ever MLS goal in first-half stoppage for a 4-1 halftime lead in a first-half performance so fun and dominant that RSL boss **Pablo Mastroeni** said he “only had to be a fan, not a coach, in the first 45” in his post-game press conference ...

## **DYNAMIC HOME DOMINANCE AGAINST KANSAS CITY ::**

Back in that 3-1 home win over KC on April 4, Luna and Guilavogui pulled the strings on an RSL attack that saw rookie striker **Sergi Solans** hit the crossbar twice amongst several near-miss chances ...

Early in the second half, Solans atoned for being snuffed in a one-v-one with the KC 'keeper by putting

RSL up 2-0, a sequence that saw Guilavogui sublimely back-heel to **Zavier Gozo** at midfield, with the 19-year-old Utah native slaloming into the box before setting up Solans, who cut back from his left to score his third goal in a four-game span ...

In the 82<sup>nd</sup> minute, Gozo himself provided the highlight-reel goal of the year so far, taking a pass from **Noel Caliskan** on the right wing, his first touch popping up and forcing a cross-body volley into the far side of the goal, unknowingly creating the 2008 MLS Goal of the Year from former RSL man Will Johnson in the second-ever match played at the former Rio Tinto Stadium ...

For his efforts, Gozo won the MLS Matchday 6 Goal of the Week, by popular fan vote, amidst speculation he could be a late addition to this summer's U.S. World Cup squad, should Pochettino look to take a flyer on the young, prescient winger for his 26-player roster to be unveiled on May 26 in New York ...

### ***EARLY-SEASON REMATCH WITH SAN DIEGO FC ::***

Just as in 2025, RSL and San Diego enjoy an early-year home-and-home series ... A year ago, San Diego won 3-1 on Utah soil in its first-ever visit to the Beehive State, with RSL returning the favor by an identical 3-1 scoreline away in its first trip to Snapdragon ...

### ***LATE DRAMA RESCUES RSL IN HOME COMEBACK v AUSTIN ::***

In what was perhaps a foreboding for Olatunji's late heroics at San Diego on March 22 was RSL's come-from-behind win at America First Field a week earlier, when Dutch DF **Stein Spierings** came off the bench to provide the game-winning goal in the 88<sup>th</sup> minute – just seven minutes into his RSL career – to become the sixth debutant out of 235 in the Club's 22-year history to score in his Claret-and-Cobalt debut, and the first to do so as a substitute ...

Spierings' goal – the Matchday 4 MLS Goal of the Week winner – broke a 1-1 deadlock that had featured both goalkeepers – **Rafa Cabral** for RSL and Brad Stuver for Austin – trade exquisite, highlight-reel saves, with RSL rebounding from an 18<sup>th</sup>-minute set piece concession to Jon Bell to equalize when a **Noel**

**Caliskan** cross in the box was deflected into Austin's own goal ...

The composed, come-from-behind win in RSL's last home game matched RSL's total from 2025, when only one of its 13 wins across all competitions arrived when NOT scoring first ...

### ***THIRD TIME A CHARM IN ATLANTA VICTORY ::***

In an 18-minute span at Atlanta on March 7, RSL saw rookie striker **Sergi Solans** and two of its 18-year-old Academy Homegrowns find the back of the net, with playmaker **Aiden Hezarkhani** scoring for the second time in as many weeks and breakout winger **Zavier Gozo** providing what would prove to be the game-winner ...

While making his first-ever RSL / MLS start, French-born Guilavogui assisted on Solans' first-ever professional goal, while Solans then set up the Hezarkhani blast that put RSL up 2-0 midway through the first half ... Centerbacks **Justen Glad** and **Philip Quinton** were credited with assists on the lefty Gozo cutback that snuck just inside the far post that gave RSL the 3-1 halftime lead, an MLS "Goal of the Matchday" nominee ...

That day's third-ever Atlanta visit, on Matchday 3 of the 2026 MLS season, in the third month of the 2026 calendar, served as the charm, with RSL winning at ATL for the first time ever ...

RSL last visited Atlanta in 2022, dropping a 2-1 decision in what was then 18-year-old MF **Diego Luna's** first-ever start for the Club; RSL also lost in its only previous visit (2-0, 2018) ...

### ***UPWARD TRAJECTORY STAGGERED IN 2025 ::***

Mastroeni has publicly stated that this season's roster is the most talented he has seen in his five years in Utah ...

During each of Pablo's previous three full seasons at the RSL helm prior to last year, the Club increased its annual point total (47 in 2022, 50 in 2023 and 59 in 2024), while increasing its Western Conference table position as well (7<sup>th</sup> in 2022, 5<sup>th</sup> in 2023 and 3<sup>rd</sup> in 2024)

...

While the 2025 campaign featured RSL securing its Conference-best fifth consecutive postseason berth, its seventh in the last eight seasons and its 15<sup>th</sup> in the last 18 years, the Club did suffer its most losses since 2006, and its fewest goals scored since 2015 ...

The 2024 MLS regular season reached an all-time high of 59 points for RSL, which finished third in the Western Conference and sixth overall in the then-29-team MLS Shield race, while also establishing a new all-time scoring high of 65 goals ...

The 3-1 victory at San Diego on April 26 of last year also marked Head Coach **Pablo Mastroeni's** 100<sup>th</sup> career coaching win across all competitions for the two Rocky Mountain Cup competitors, RSL (2021-present) and Colorado (2014-17) ... The former U.S. World Cup stalwart has now amassed 117 wins, 127 losses and 81 draws across all competitions for the Utah/Denver-based sides ...

Since his August, 2021 arrival in Utah, Mastroeni's all-time coaching record is now 85-78-50 (W-L-T) ...

### **HOMEGROWN HYPE TRAIN PICKING UP STEAM ::**

In each of the first few matchdays, RSL saw six RSL Academy Homegrown players start for the Claret-and-Cobalt, including regulars DF **Justen Glad** and FW **Zavier Gozo**, along with MF **Aiden Hezarkhani**, MF **Luca Moisa**, MF **Griffin Dillon** and Utah-born MF **Zach Booth** ... Three of the players – Gozo (19), Hezarkhani (18) and Moisa (17) – were 18 years old or younger (Gozo celebrating his 19<sup>th</sup> birthday on March 22 at San Diego), while Booth and Gozo are born-and-raised Utah natives, with Dillon raised locally ...

Joining Moisa and Booth in making his Club and League debut Feb. 21 at Vancouver was rookie FW **Sergi Solans**, a former UCLA/Oregon State product ...

### **FW ARI PIOL UNDERGOES SUCCESSFUL ACHILLES SURGERY ::**

Nearly 3 months ago, RSL FW **Ari Piol** underwent successful surgery to repair his ruptured left Achilles tendon, an injury suffered in the 82<sup>nd</sup> minute of the Feb. 28 2-1 win over Seattle ...

Piol – who scored the eventual game-winning goal in the 47<sup>th</sup> minute against Seattle – also saw an apparent goal disallowed in Matchday 1 at Vancouver ... The Seattle game-winner was the Australian U22's second-ever MLS goal and his first since March 8, 2025, in a 3-1 win at San Diego ...

Piol is expected to miss the remainder of the 2026 season, but pledged to come back stronger and better than ever:

*"Football can be beautiful and brutal at the same time. It's hard to accept, but I believe there's purpose in*

*every setback," posted Piol on [Instagram](#). "Appreciate all the love. See you next season. Stronger!"*

### **IRON MAN RAFAEL CABRAL CRITICAL CAPTAIN FOR RSL ::**

"Iron Man" GK **Rafael Cabral** – a 2025 newcomer to Utah, after 462 professional games played with some of the world's biggest clubs in his native Brazil, England and Italy – last year emerged as RSL's Captain and leader, wearing the armband for the last 46 consecutive games since Emeka Eneli's May 24 injury ...

Cabral was the lone player to start each of RSL's 40 games across multiple competitions a year ago, playing each and every one of the previous 3,600 minutes of the campaign, highlighted by his historic penalty-kick shootout performance in July against Club América ...

Cabral matched the most minutes ever played in an MLS reg. season by an RSL player (3,060, Zac MacMath, 2022) and established a new all competitions minutes record for RSL's 21-year history (3,600 including Champions Cup, Leagues Cup and MLS Cup Playoffs) ...

In RSL's penultimate regular-season match last year at Seattle, Cabral saved his fourth regulation penalty kick faced in eight attempts last year, denying Jordan Morris from the spot ...

This season, Cabral had played every minute of the Club's 22 MLS reg. season and 5 international matches, including Leagues Cup, aside from the August 22 bench appearance in Orlando ...

### **PERENNIAL POSTSEASON CONTENDER ::**

With another 2026 postseason berth this November, RSL would extend its West-best active playoff streak to six consecutive seasons (Orlando enters 2026 with six straight in the East), the Claret-and-Cobalt having advanced to the postseason in seven of the last eight seasons (2020 the lone exception) and 15 of the last 18 years, its near-perennial placement missing out only in the 2017 and 2020 campaigns since first advancing in 2008 ...

RSL boss **Pablo Mastroeni** became just the sixth head coach amongst 205+ in all-time MLS annals to have taken his team to the playoffs in each of his first five seasons with a Club, elite company indeed ...

However, since a 2021 run to the West Final in Portland, RSL has suffered elimination in its first postseason step each of the last four seasons ...

Mastroeni welcomes two new coaches to his bench in 2026, with third-year assistant **Anthony Pulis** elevated and **Jamal Campbell-Ryce** (Real Monarchs assistant, 2024/25; former EPL / EFL player) and **Fredric Brilliant** (former NYCFC player, former Utah Royals FC assistant) joining RSL ... GK Coach **Mirza Harambasic** remains on staff along with lead Video Analyst **Rob Rogers**, the group looking to attain the heights of 2024, when RSL delivered its Club-best campaign of 59 points from 34 games and 65 goals scored ...

### **IDEAL RSL STARTING XI AMONGST DEEP 2026 ROSTER ::**

While injuries and sales have not allowed RSL's ideal 2026 Starting XI to appear this season, along with visa issues, green card approvals and more, here is what many predicted as the Claret-and-Cobalt's first-choice XI, lining up in a new-look 3-5-2 / 3-2-4-1, as HC **Pablo Mastroeni** now asks his side to defend and attack in a similar setup, a departure from the last two seasons:

|                                      |                                       |                           |

While seven different nationalities would feature in this "ideal" 11-man setup, RSL's deep and diverse bench – representing another eight different nations – could also see the following play big minutes this season:

|                                     |                                 |                               |

| <b>KATRANIS</b><br>(Greece 🇬🇷)      |                                 | <b>MARCZUK</b><br>(Poland 🇵🇱) |

Seven of RSL's next eight players hold USA passports, with dual nationals from Ecuador, Romania and Mexico as well as **Ari Piol** (Australia/South Sudan) bringing the number of nationalities on RSL's senior roster to 20 countries ...

DF **Philip Quinton** (USA 🇺🇸)

### **NINE PLAYERS SELECTED FOR MARCH INTERNATIONAL DUTY ::**

The RSL pipeline saw nine members of the Club's developmental pathway represent their respective countries throughout the March FIFA international window ...

Headlining the March international class is Uruguayan World Cup hopeful **Juan Manuel Sanabria** ... The winger with the nickname "JuanMa" will help lead *La Celeste* as it participates in two European-based friendlies, first at 'The Home of Football,' London's legendary Wembley Stadium, as Uruguay faced England on Friday, March 27, prior to closing camp against Algeria on Tuesday, March 31, in Naples, Italy ...

Appearing in the Club's last four unbeaten matches after being acquired by RSL late in the 2026 offseason via transfer from Liga MX side Atlético San Luis, Sanabria has integrated into the squad quickly, logging four consecutive starts after missing the season opener, notching one assist in the Claret-and-Cobalt's 2-1 home win on Feb. 28 over Seattle Sounders FC and adding another on March 22 at San Diego ...

19-year-old RSL homegrown **Zavier Gozo** was slated to travel to Cheonan, South Korea with the United States Youth National Team U21 squad to take on the hosts in a pair of friendlies on March 28 and March 31, but elected to stay in Utah ... Since then, the Utah native has started in 29 of his 30 last appearances across all

competitions, a streak only trailing RSL ironman **Rafa Cabral (33)** and **Justen Glad (30)** and tied with MF **Noel Caliskan ...**

The 2026 leading scorer for RSL is none other than another 18-year-old Academy sensation, **Aiden Hezarkhani**, who was supposed to book his ticket to Alicante, Spain, as a member of United States Youth National Team U19s prior to his groin injury suffered at San Diego ... As part of the week-long camp, the States took on a pair of European sides, first facing Wales on March 28 and an opponent TBD on March 31 ...

Hezarkhani has started every match for 3W-1L-0T Real Salt Lake thus far, filling in for USA superstar **Diego Luna**, who missed the first three matches of the 2026 campaign due to a minor knee injury ... Making the most of his sudden opportunity, Hezarkhani logged back-to-back matches with goals on Feb. 28 at home against Seattle and on March 7 at Atlanta to spark RSL's four-match unbeaten streak ...

Trinidadian DF **Kobi Henry** – who was originally scheduled to make a full return from injury to help his Caribbean nation face Venezuela on March 27 in its lone friendly of the window – has now been moved to questionable status after an adductor injury in a training session two Wednesdays ago ... Making his senior team debut for the *SocaWarriors* on Sept. 5, 2025, against Curacao, Henry started and played the full 90 minutes in each of his six international contests against fellow CONCACAF nations, scoring twice – his debut goal coming in his third-ever game, a 3-0 win over Bermuda, also finding the back of the net in a 2-2 draw on Nov. 16, once again versus Bermuda ...

The RSL first team-contracted duo composed of wunderkind **Luca Moisa** and **Gio Villa** were called into coach Jeremy Hall's United States Youth National Team U18 roster to compete in the 29th annual Lisbon International Tournament ... The Stars and Stripes taking on Iceland on March 26, Morocco on March 28, and Portugal on March 31 ...

Taking advantage of visa delays and injuries throughout the RSL midfield this year was Academy product Moisa, who broke into the starting XI late in the Claret-and-Cobalt's preseason ... Moisa logged three consecutive starts to kick off the 2026 campaign, notching an assist in his first MLS home match, a 2-1 win over Seattle on Feb. 28 ... Villa has played a big role in the MLS NEXT Pro Real Monarchs' unbeaten start to the year, logging two full 90-minute shifts in 2-2 (4:3) and 5-0 results over North Texas SC and Sporting KC II ...

Rounding out the MLS-contracted Utah-based players appearing for Club-and-Country is Academy product

and Monarchs standout FW **Antonio Riquelme**, representing Chile and participating in two U20 friendlies against Peru ... *La Roja* faced off against its COMNEBOL rival on March 29 and March 31 ...

Riquelme has enjoyed a hot start to the 2026 campaign, appearing in all four Monarchs matches, scoring three times while logging 275 minutes, tied with **Marcos Zambrano** and **Lineker Rodrigues** for the early-season Golden Boot lead ...

RSL Academy U18 Goalkeeper **Konstantinos Kyriazis** participated in the second round of the UEFA European U17 championship, representing Greece, which will open the tournament facing off against the hosts Montenegro on March 25, prior to facing Sweden on March 28 and closing against Norway on March 31 ... Kyriazis has received back-to-back call-ups this calendar year ...

## ***RSL YOUTH MOVEMENT CONTINUES INTO SECOND DECADE ::***

Now entering the third full season of the Club's "Winning Together Through Development" era, RSL's 2026 roster also features Utah homegrown attacker **Zavier Gozo**, who burst onto the scene last year with 20+ consecutive MLS starts en route to a star turn for the U.S. in the FIFA U20 World Youth Championships in Chile ...

A native of Eagle Mountain, Utah, after being born in SLC suburb West Valley City, then-18-year-old Gozo scored his debut MLS goal just days after his high school graduation last May ...

Another Utah native, MF **Griffin Dillon**, has graduated from the Monarchs to RSL for this season ... The 2025 captain of the Monarchs led the second team to its first postseason action since 2019, voted by his peers as last year's Most Valuable Player ...

Spierings, the Dutch midfielder, joins Real Salt Lake ahead of the 2026 season after a productive 2025 campaign in the Danish Superliga with Brøndby IF, where he contributed two goals and one assist while anchoring the center of the pitch. A composed presence in midfield, Spierings is known for his passing range, ability to control tempo, and intelligent positioning. He began his professional career in his native Netherlands with AZ Alkmaar, followed by a standout spell across four seasons at Sparta Rotterdam, helping the club earn promotion and cementing himself as a reliable engine-room figure. After strong performances with RKC Waalwijk and a move to Levski Sofia in Bulgaria, Spierings spent several seasons in France with Toulouse FC — where he featured regularly and was part of the squad that lifted the Ligue 2 title — and had a short stint with RC Lens in Ligue 1 before joining Brøndby. Spierings' experience across multiple leagues and his technical quality provide RSL with another reliable and leadership-ready midfield option as the club prepares for the upcoming campaign.
